Minibus Travel Swanbourne C of E School

The school has three minibuses which are used to move children between Swanbourne, Drayton Parslow and Mursley school sites. The children will move between sites for certain lessons including P.E. and music. Children will be fully supervised during these journeys and the buses are driven by named members of staff who have taken a specific driving test for transporting children. We will also be using the buses to move children to a site for special events; you will be informed of these events through the weekly bulletin.

I give permission for _____ to be transported between sites in the school minibus.	
Signed _____	Date _____
Name _____ (please print)	

For all other off site educational visits using the minibus you will receive a letter providing details of the visit and a separate permission slip.
