### In addition for Secondary Schools

Once your child is aged 13 or over, we are required by law to pass on certain information to the provider of youth support services in your area. This is the local authority support service for young people aged 13 to 19 in England – in Buckinghamshire this youth support service is provided by Connexions Buckinghamshire. We must provide the name and address of both you and your child (and your child's date of birth) and any further information relevant to the support services' role.

However, until your child is aged 16 or older, parent(s) can ask that no information beyond your child's name, address and date of birth (and your name and address) be passed on to the youth support services provider. Please inform **Swanbourne School Office** if this is what you or your child wishes. This right transfers to your child on their 16th birthday.

If your child lives outside Buckinghamshire, Connexions Buckinghamshire may also pass this information on to their home Local Authority.

For more information about young peoples' services, please go to the Directgov Young People page at [www.direct.gov.uk/en/YoungPeople/index.htm](http://www.direct.gov.uk/en/YoungPeople/index.htm) or for services in Buckinghamshire please go to <http://www.connexionsbucks.org.uk>.
