

LPPA Up-date Spring 2017

This term we have begun working towards the Leading Parent Partnership Award (LPPA)

A big 'Thank you' to the parents who have become involved so far and contributed so much.

So far we have

- Completed a self-evaluation and written an Action Plan
- Enabled daily contact with class teachers as the children arrive and leave each day
- Invited parents to join our weekly Celebration Assembly
- Invited parents to work alongside their children at a Reading Breakfast and a 'Bring a grown up to school' morning
- Drawn up plans for making our reception areas more user friendly

There is still a lot to do!

In the near future we plan to:

- Add a parent's section to the school website and improve our e-schools pages
- Establish parent mentors as a friendly contact for new parents
- Provide more learning opportunities for parents
- Encourage more parents in to school as volunteers in a variety of roles
- Involve parents in celebrating cultural diversity within our schools

If you have ideas or comments, or would like to become involved Mrs Sandmann and Miss Marlow would love to hear from you!
