September 2017

Since January we have been working towards achieving the Leading Parent Partnership Award in order to maximise parental involvement in all aspects of school life and their child's education.

We currently have a very small group of extremely hard-working and committed parents doing a wonderful job but we would love to increase the number and spread the workload!

If you are interested in finding out more and becoming involved please contact Mrs Sandmann and come along to our next meeting:

Thursday 21st September 9.00-10.00 at Drayton Parslow School

Whether you are new to the schools or know us well already you will be warmly welcomed by our lovely team and fed coffee and biscuits!

Transition

Children moving up to Swanbourne from Year two this year had the opportunity to experience the bus journey to school on Induction Day.

Welcome to our new parents!

Our new Parent Mentors Chloe Otter and Paula Bignold have welcomed the new set of reception parents and organised get-togethers at the playground after school. Chloe and Paula are more than happy to chat and share useful information from a parent's point of view!

Volunteers Tea party

We have been so lucky to have so many parent volunteers working in school with us!

To show our appreciation we held a special tea party at the end of term.

If you have an hour or two to spare each week and would like to become more involved in school activities then we would love to hear from you!

We would welcome mums, dads or grandparents to help us with...

- ❖ gardening/ nature activities with a small group
- ❖ cooking
- ❖ hearing children read
- ❖ music or singing
- ❖ playing board games
- ❖ art and craft activities
- ❖ sewing
- ❖ preparing resources for teachers (eg photocopying/ laminating/ cutting out display lettering etc)

If one of these activities appeals to you please speak to any of the teachers. All offers of help will be appreciated!
