May 2017

Thank you to our fantastic team of parents for your participation and hard work!

You said...we did...

This term we have been addressing some of your comments and suggestions:

- E-schools pages have been re-vamped to ensure consistency and updated information – Take a look to check!
- A new Parents section has been added to the school website
- A parent contact is in place to welcome new parents and organise play in the park gatherings after the school taster afternoons next half term

Parents have been helping us to celebrate cultural diversity by giving Foundation Stage some fantastic talks and experiences!

We enjoyed learning about India, Finland and Africa!

A huge 'Thank you' to everyone who responded to our appeal for Parent Volunteers!

We now have parents regularly involved in a variety of activities including playing games, using ICT, cooking, reading, changing library books, helping with paperwork and joining us on school trips.
